

Foxchase Townhouses

Social Committee Members Needed

After years of staging neighborhood events for children and families, Nancy Ramdeen is ready to hand over the baton to another community volunteer. Nancy herself is a fun-loving and energetic person who in the early years wanted playmates for her girls. She solved the problem by becoming the community's Social Director and initiated many holiday celebrations such as Easter egg hunts and Halloween pumpkin carving and our annual Summer Block Party.

Thank you to Nancy and her family for their efforts to make Foxchase a neighborly community.

Would YOU be interested in taking over as Social Director? Social activities are funded by the HOA and receive the full support of Board Members and Brodie Management. Please contact a Board member if you like to contribute to our community in such a fun and interesting way.
